SUBJECT: Q2410258 – Elevate Test Fixture Interface Board

Dear Rick,

Divelbiss Corporation is pleased to quote the design and manufacture of your Elevate Test Fixture Interface board per the attached specification SPEC-2410258-1-A.

The Engineering estimate for developing the Interface Board is: **\$3,815.00**

The down payment schedule for the Engineering is as follows:

50% down with order
50% when design is completed

Estimated Production Unit Pricing:

Quantity:	<u>8</u>	<u>12</u>	<u>16</u>
	\$318	\$296	\$277

Agency Certifications FCC, UL, CSA, etc. are not included in this proposal. However, Divelbiss Corporation is happy to assist to achieve these agency certifications. These certifications would require a separate quote or be on a time and materials basis based on the specific certification and agency required.

This quotation is subject to the terms and conditions found at <https://www.divelbiss.com/PDFs/Terms.pdf>
By approving this proposal or placing an order referencing this quotation, you approve the design(s) or specification(s) set forth herein.

Quotation good for 30 days.

Thank you,

Don Divelbiss
